

# ARLON SOLUTIONS REBATE

## REBATE GUIDE

## SLX+

### PREMIUM FILM

All-season cast film packed with improved outstanding features to make every part of your fleet and vehicle look amazing. The ultra-repositionable SLX+ with FLITE Technology® with deep channel warranty and exceptional multi-surface adhesion facilitates the fastest and easiest installations.

#### Unique Features:

- Fast Adhesive Bond
- Print to Cut For Accurate Weeding
- Multi-Surface Adhesion

#### Recommended Applications:

- Flat Trucks
- Cars
- Cargo Vans
- Passenger Vans
- Buses
- Trains - Trams

**\$60 PER ROLL**

 **BUY**

## INSIDER KNOWLEDGE

At a quick glance, SLX+ looks very similar to SLX Cast Wrap! A closer look reveals a performance evolution that makes SLX+ first in class against its competition. SLX+ boasts of a perfect blend of low initial contact and high ultimate bond that simplifies application techniques while assuring applicators that deep channel applications and leading edges will not lift! Paired with Series 3210, SLX+ stays flexible and easy to use even at temperatures as low as 60F!

# SLX CAST WRAP

## PREMIUM FILM

SLX™ Cast Wrap is a premium gloss white repositionable cast film with FLITE Technology™. Designed for the single installer, this film allows for a fast wrap and superior repositionability for full and partial, vehicle and fleet applications.

### Unique Features:

- ▶ Lite Initial Contact with Air-Egress for Superior Repositionability
- ▶ Fast Wraps with One Installer
- ▶ Vibrant and Reliable Print Quality

### Recommended Applications:

- ▶ Flat Trucks
- ▶ Cars
- ▶ Cargo Vans
- ▶ Passenger Vans
- ▶ Buses
- ▶ Trains - Trams

**BUY**

## INSIDER KNOWLEDGE

Films that are too tacky make it impossible to reposition your graphic into place. Films that bond too quickly don't allow you to adjust your application. FLITE Technology® is a lite contact system which allows graphics to float over a substrate until firm pressure is applied. During application this allows you to float, snap, and reposition with ease; making most wraps a one person job.

## DPF 4400

### SPECIALTY FILM

Designed for short term applications such as flat promotional vehicle graphics, changeable graphics, and general signage. The low profile air egress liner allows for fast and easy installation. The unique tack level of DPF 4400 allows the product to work well during colder weather installations. DPF 4400 has a thicker facestock providing added opacity to ensure your printed graphic looks vibrant.

#### Unique Features:

- ▶ Low profile air-egress liner for quick + easy installation
- ▶ Clean Removing off of OEM painted surfaces
- ▶ Suitable for colder weather installs

#### Recommended Applications:

- ▶ Fleet & Vehicle Graphics (flat)
- ▶ Changeable Signage
- ▶ General Signage
- ▶ Smooth Painted Walls

## INSIDER KNOWLEDGE

DPF 4400 features a changeable adhesive combined with a 3.5mil facestock designed for interior wall and quick-turn fleet graphics! DPF 4400 out-performs most films in the way it adheres well and is easily removed in cold temperatures. Coupled with Series 3420 Matte or Gloss, DPF 4400 becomes the perfect solution for slip-resistant, temporary floor graphics!

# DPF 8000 ULTRA TACK

## SPECIALTY FILM

DPF 8000™ Ultra Tack is the perfect film when your projects encounter challenges due to an uncontrolled surface or substrate. DPF 8000 Ultra Tack is the ultimate premium film for hard-to-stick surfaces. A durable film combined with a high tack adhesive system allows you to use one film for all your difficult projects from plastic dirt bikes to textured substrates.

### Unique Features:

- ▶ The Hard-To-Stick Surface Solution
- ▶ Multi-Purpose High Tack Adhesive

### Recommended Applications:

- ▶ Building Wraps
- ▶ Wall Graphics (Interior & Exterior)
- ▶ ABS Plastic Graphics

**BUY**

## INSIDER KNOWLEDGE

Conquering the toughest applications, DPF 8000™ Ultra Tack, offers secure adhesion strength to low-energy surfaces and textured substrates, like brick and concrete. With DPF 8000™ Ultra Tack the sky is the limit – wrap buildings and stadiums, plastic dirt bikes, and wall murals. If there's one film that will tackle all your difficult projects, it's DPF 8000™ Ultra Tack.

# DPF 8200 HIGH TACK

## MULTIPURPOSE FILM

DPF 8200 High Tack is the ultimate premium film for textured surfaces and installations on demanding surfaces. A durable film combined with a low shrink, high tack adhesive formula that allows for greater dimensional stability - making it easier to apply.

### Unique Features:

- ▶ Enhanced Dimensional Stability
- ▶ Easy to Convert, Print, and Apply, Optimizing your Workflow
- ▶ Low Shrink Adhesive System
- ▶ Strong Adhesion for Demanding Applications

### Recommended Applications:

- ▶ Low Energy Surfaces
- ▶ Wall Graphics (Interior & Exterior)
- ▶ Floor Graphics (Interior)

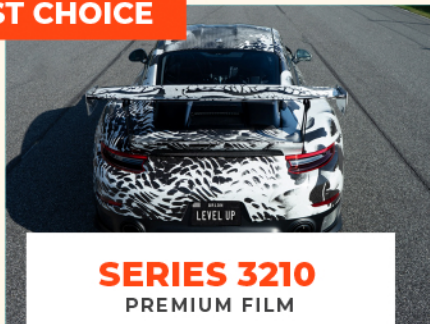

## INSIDER KNOWLEDGE

DPF 8200 High Tack offers reduced converting time and quicker printing, you can remain focused on producing brilliant graphics. Adding heat to the DPF 8200 High Tack when installing on textured surfaces will make your graphic conform to slight contours and textures without any hassle.

## DPF 4500GT/MT

### INTERMEDIATE FILM

A 3-mil (75 micron) white calendered film offered in a gloss and matte finish with tinted, permanent pressure-sensitive adhesive. Designed for indoor and outdoor promotional graphics, DPF 4500GT / MT is made of a calendered facestock with a lay-flat polycoated liner. The special light gray adhesive system is designed for opacity to directly cover existing graphics or dark substrates.

#### Unique Features:

- ▶ Multi-Purpose Film, Competitive Price
- ▶ Premium Print Quality
- ▶ Tinted Adhesive for Added Opacity

#### Recommended Applications:

- ▶ Standard Signage (Permanent)
- ▶ Display Graphics

 **BUY**

### INSIDER KNOWLEDGE

DPF 4500GT is every sign maker's friend! This versatile, 5 year durable film adheres well to most sign making surfaces and is the perfect digital stand-in for jobs that require hard to get pigmented films. DPF 4500GT features a tinted adhesive that gives the film excellent hiding capabilities. The flat liner combined with a medium tack adhesive makes this film the perfect print-to-cut option for small decals and fine text.

## Arlon Graphics, LLC Rebate Offer - Terms & Conditions

**1. REBATE DESCRIPTION:** The Arlon Solutions Rebate Offer Promotion ("Rebate Offer") begins on February 6, 2023 and ends at 11:59 P.M. PST on March 18, 2023 (the "Promotion Period").

The sponsor of this Rebate Offer is Arlon Graphics, LLC ("Sponsor"). Participating in the Rebate Offer requires the unconditional acceptance and compliance with these Terms & Conditions and the decisions of the Sponsor, which shall be final and binding in all respects.

**2. ELIGIBILITY:** The Rebate Offer is valid only for Purchasers who are residents of the United States or Canada, and who purchase Eligible Products from authorized Arlon Distributors, located in the United States, during the Promotion Period. A "Purchaser" includes a corporation, company, partnership, firm, association, organization, business trust, or society, as well as a natural person. A corporation, company, partnership, firm, association, organization, business trust, or society, as well as a natural person that submits a valid Rebate request within the Promotion Period is hereinafter referred to as "Entrant." "Eligible Products" are standard sized rolls only and include SLX (all finishes and constructions), SLX+ (all finishes and constructions), Series 3220 Overlaminates (all finishes), Series 3210 Overlaminates (all finishes), Series 3270 (all finishes), DPF 4600 (all finishes and constructions), DPF 8000 (all finishes and constructions), DPF 8200 (all finishes and constructions), Series 3420 Overlaminates (all finishes), DPF 4500G, DPF 4500M, and DPF 4500GLX (all finishes and constructions). Eligible Products are 54 inches or 60 inches in width and at least 50 yards in length. No other products, including customized sizes or finishes, qualify for this Rebate Offer. Offer not valid where prohibited by law.

**3. REBATE:** This Rebate Offer applies only to purchases of Eligible Products made, and valid Rebate requests submitted and approved, within the Promotion Period. Arlon will pay \$60 USD per roll of SLX, SLX+, Series 3220, 3210, and 3270. Arlon will pay \$30 USD per roll of DPF 4400, DPF 4600, DPF 8000 Ultra Tack, DPF 8200/8200X High Tack, and Series 3420. Arlon will pay \$15 USD per roll of DPF 4500GT/MT and DPF 4500 GLX/MLX. All of the foregoing Rebate amounts subject to a maximum total, combined rebate value of \$600 USD or equivalent. A valid Rebate request requires submission of a completed contact form, and a successful upload of valid proof of purchase of any Eligible Products through the promotion rebate page found at <https://info.arlon.com/arlonsolutionsrebate> (the "Submission"). Failure to provide all required information or failure to complete all necessary steps will prevent Rebate approval. Sponsor is not responsible for lost, late, undelivered Submissions and/or incomplete forms. Sponsor reserves the right to cancel this Rebate Offer and institute fraud prevention measures at any time without notice. The Rebate amount will be paid in the local currency. Sponsor has the exclusive right to determine the currency conversion rate, which may be revised from time to time, at Sponsor's sole discretion.

Up to two (2) Rebates claims per Purchaser will be honored during the Promotion Period, with a maximum total, combined rebate value of \$600 USD or equivalent. Each rebate claim can only contain proof of purchases from one single purchase order. If Purchaser submits multiple invoices from different purchase orders in one claim, Arlon reserves the right to consider only the oldest valid purchase order. If Purchaser submits multiple claims, only the first two will be honored. Rebates cannot be transferred or substituted. Rebates will only be paid electronically, via PayPal® or eGift Card, whichever the Entrant selects at the time of Submission. Rebates paid via PayPal® or eGiftCard will be confirmed via email. It may take up to 10 business days from approval date for payment to be sent.

A PayPal® account is required to receive payment through PayPal®. Entrant is responsible for a PayPal® account capable of receiving Rebate payment from Sponsor. This Offer is not sponsored, endorsed, administered by, or associated with PayPal®. When accepting payment via PayPal®, Entrants may be subject to third party data policies, terms of use, and/or third party fees. Entrants selecting PayPal® as desired payment option will only receive Rebate via the PayPal® account identified in the Submission. Entrant's email and/or phone number must be associated with Entrant's PayPal account. Incorrect PayPal® account information will prevent distribution of Rebate.

**6. PRIVACY:** Sponsor may collect certain information about the Entrant for the purpose of conducting and administering the Rebate Offer. The information collected may include the Entrant's name, Entrant's email address, Entrant's employer, and name of Purchaser. Sponsor may disclose this information to third parties. If Entrant does not provide required information at time of Submission, Sponsor may deem Entrant as ineligible to participate in the Rebate Offer and refuse Entrant's Rebate request

If Entrant "opts-in" to receive information about the Sponsor's events, products, and services at the time of Submission, Sponsor may use Entrant's information to provide Entrant with information about the Sponsor's events, products, and services, including via post, telephone, email, and SMS, and may disclose the information to third parties. Entrant may advise Sponsor at any time if such information is no longer welcome, by contacting the Sponsor using the contact details available at [https://www.arlon.com/na\\_en/legal/global-privacy-policy-na-en](https://www.arlon.com/na_en/legal/global-privacy-policy-na-en). Sponsor may continue to provide Entrant with this information until advised otherwise by Entrant.

Sponsor and Sponsor's associates may be located in areas other than the United States or Canada . As a result, personal information collected and held by Sponsor may be transferred to locations in areas other than the United States or Canada.

If Entrant has any concerns or queries about the way personal information is handled by Sponsor, Entrant should contact Sponsor using the contact details available at [https://www.arlon.com/na\\_en/legal/global-privacy-policy-na-en](https://www.arlon.com/na_en/legal/global-privacy-policy-na-en). A copy of Sponsor's privacy policy, regarding the handling of Entrants' personal information, is available at [https://www.arlon.com/na\\_en/legal/global-privacy-policy-na-en](https://www.arlon.com/na_en/legal/global-privacy-policy-na-en). Sponsor's privacy policy provides information to Entrant about gaining access to or seeking correction of personal information Sponsor has received from Entrant.

**7. LIMITATION OF LIABILITY:** Sponsor assumes no responsibility or liability for (a) any incorrect or inaccurate Submissions, or for any faulty or failed electronic data transmissions; (b) any unauthorized access to, or theft, destruction or alteration of, entries at any point in the operation of this Rebate Offer; (c) any technical malfunction, failure, error, omission, interruption, deletion, defect, delay in operation or communications line failure, regardless of cause, with regard to any equipment, systems, networks, lines, satellites, servers, camera, computers or providers utilized in any aspect of the operation of the Rebate Offer; (d) inaccessibility or unavailability of any network or wireless service, the Internet or website or any combination thereof; (e) suspended or discontinued Internet, wireless or landline phone service; or (f) any injury or damage to Purchaser's, Entrant's or to any other person's computer or mobile device which may be related to or resulting from any attempt to participate in the Rebate Offer or download of any materials in the Rebate Offer.

If, for any reason, the Rebate Offer is not capable of running as planned for reasons which may include without limitation, infection by computer virus, tampering, unauthorized intervention, fraud, technical failures, or any other causes which may corrupt or affect the administration, security, fairness, integrity or proper conduct of this Rebate Offer, the Sponsor reserves the right at its sole discretion to cancel, terminate, modify or suspend the Rebate Offer in whole or in part. In such event, Sponsor shall immediately suspend all submissions and rebate payments, and Sponsor reserves the right to award any remaining rebate payments in a manner deemed fair and equitable by Sponsor. Sponsor shall not have any further liability to any Purchaser or Entrant in connection with the Rebate Offer.
